

STEPS FOR HOSTING A DAY

- Organize your planning team
- Pick your event-could be a talk, a zoom hour, a walk and roll or whatever you choose
- Recruit participants through social media, using our poster
- Determine your goals for actions and solicit pledges.
- Send out information to all.
- Have a great day, collect pictures, and start planning for 2023

Also, just because October 22nd is Day for Tomorrow it doesn't mean you can't make more than one Day for Tomorrow, e.g. monthly, weekly, or daily!

BENEFITS

- A way to build community and Sustain Our Abilities.
- A way to educate people about climate change.
- A way to ensure you are prepared for weather extremes,
- A way to promote physical activity and the benefits of outdoor engagement.
- A team-building experience that will create goodwill for your organization and clients.
- A way to spotlight issues that people are having now because of extreme weather and to build collective action.
- A way to have fun and meet your neighbors!
- A way to promote your organization to the community.
